Home HD benefits for patients

3

Frequent and longer duration dialysis has medical and quality of life benefits.

1

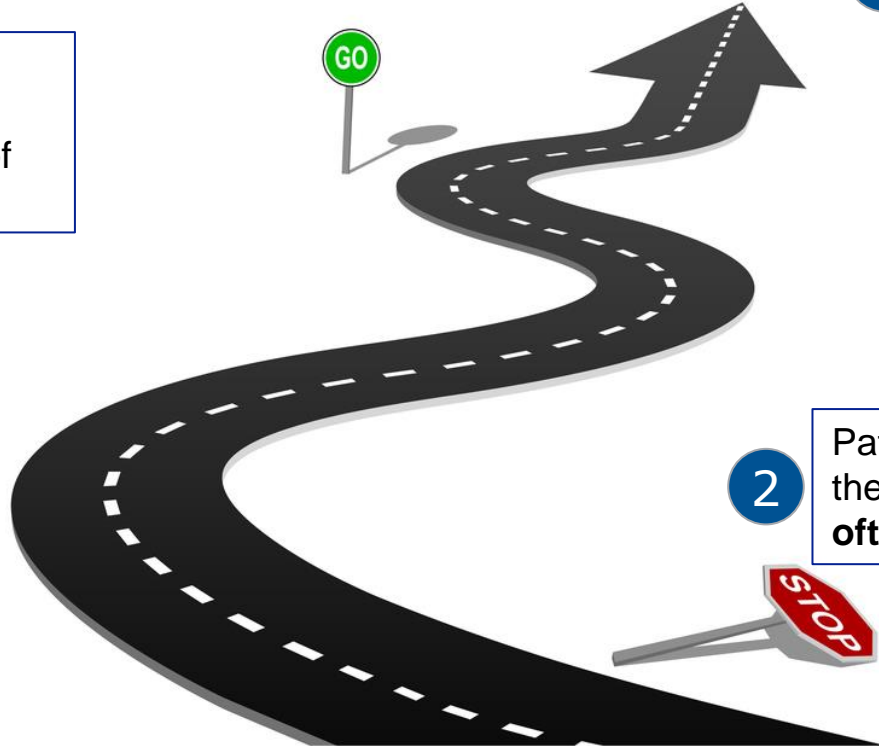

Convenience of staying home for treatment vs travel and traffic to get to clinic

4

Patients feel more in **control** of their lives and feel free to seek **employment**, carry on **social** engagements, feel like they have more **freedom** on HHD

2

Patients choose **when** they want to dialyze, **how often** and for **how long**

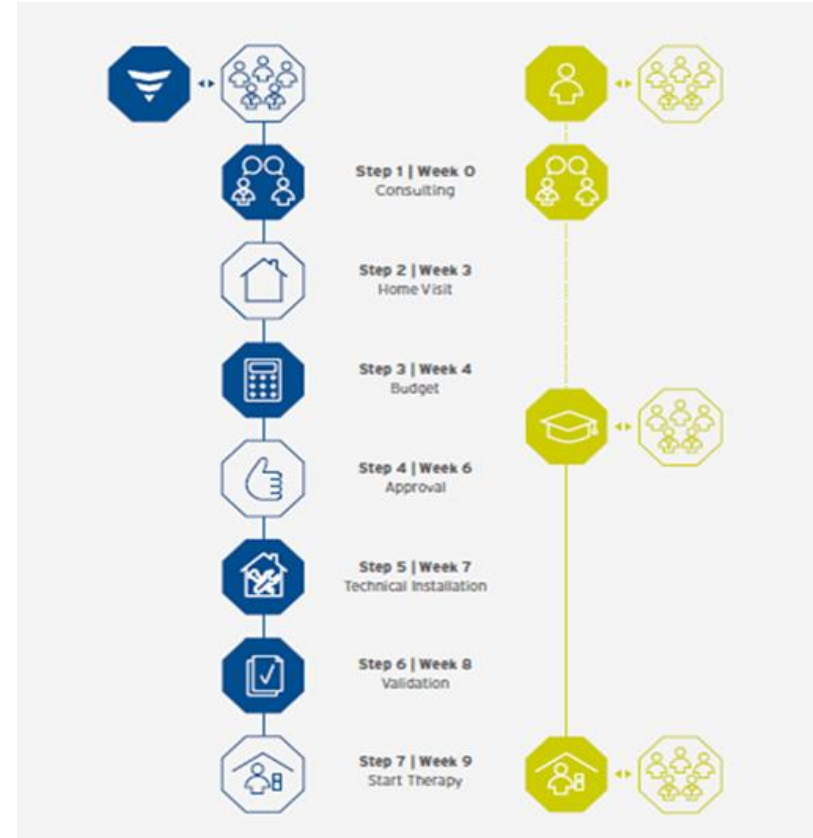

HOME HemoDialysis – Fresenius your partner
